

BREEDING CONTRACT

This contract provides the terms of breeding to CASTLE BRAVO registration # 90869. The terms set forth herein bind Mitchell Clark Stables, 2241 US Hwy 127 South, Danville Kentucky 40422 and hereinafter referred to as the owner and _____ here fore the buyer.

TERMS OF FINANCIAL AGREEMENT

1. All applicable fees will be paid in full and in advance. Failure to do so will result in refusal to send any shipment. Personal checks are accepted however in the event of non-payment the stallion owner has the right to refuse a breeders certificate unless a \$100 penalty is paid and the amount is paid in full.

OPTIONS

FRESH COOLED SEMEN PER SHIPMENT

1. The cost of the semen guaranteed to be fertile is \$1000. In addition there will be a collection fee of \$150. A deposit of \$35 made out on a separate check is required for a semen container which will be void upon return of the container within five days. An Equitaner may be requested for a \$250 deposit that will be refunded upon return of the container within 5 days.
2. There is no Live Foal Guarantee with this option. Multiple mares may be bred with this option.

FRESH COOLED SEMEN – LFG

1. The cost of the semen for a LFG is \$2000. There is a collection and shipping fee of \$250. A separate check for \$35 is required for a container that will serve as a deposit if the container is returned within 5 days. Otherwise the deposit is forfeited.
2. Additional shipments may be ordered with this option and with be subject to a \$250 collection fee and an additional shipment fee which is paid by the mare owner upon receipt or in advance.

DEFINITION OF A LFG

A live foal is described as a foal that is nursing within 24 hours. In order to request rebreeding in the event of death or abortion the following will be required:

1. A vetenarian certificate stating that a vetenarian was present during delivery, that the foal was not viable and the cause of death.
2. In the event of abortion the month of the abortion will be provided by a vetenarian and that the mare had three Numbort K shots at 5,7 and 9 month of term and a full cycle of vaccinations. If aborted earlier than 5 months a vetenarian will certify that the mare is open and had no infections prior to conception.
3. In the event of death of the mare in gestation the breeding will be transferred to a different mare granted that it is owned by the same owner. A vetenarian certificate upon death will be required to transfer the breeding.
4. Additional semen can be requested for embryo transfers; however it needs to be stipulated in the beginning of the cycle. Semen will be shipped in the order it was requested. Only one breeder's

certificate will be issued per mare and in the event of multiple foals the LFG payment will be required to register additional foals.

5. 48 hours notice will be required and in the instance that no notice was given will be shipped according to the waiting list first.

6. Mare care is available at \$10 per day and a breeding fee of \$150.
